EXECUTIVE SUMMARY

A dedicated Computer Science student at **GCUF** specializing in Frontend Development and Computer Vision. Currently in my final semester with **no regular on-campus commitments**, allowing for **immediate full-time availability and relocation anywhere in Pakistan**. Proven experience in building responsive interfaces with **React.js** and **Tailwind CSS**. Deeply passionate about learning and serving the national industry through innovative software solutions.

TECHNICAL SKILLS

- **Frontend:** React.js, JavaScript (ES6+), jQuery, HTML5, CSS3
- **UI Frameworks:** Tailwind CSS, Bootstrap
- **Backend & Tools:** Python (Flask), OpenCV, Dlib, Git, GitHub
- **Mobile Development:** Android (Java/Kotlin), XML

PROFESSIONAL EXPERIENCE

Frontend Developer Intern | *Feb 2025 – Aug 2025*

- Developed and maintained responsive web components using **React.js** and **Tailwind CSS**.
- Collaborated on UI/UX improvements to enhance user engagement across platforms.
- Optimized website performance and ensured cross-browser compatibility.

ACADEMIC PROJECTS

Face Detection Based Attendance System (Final Year Project)

- Developed a real-time AI application using **Python, OpenCV, and Dlib**.
- Integrated a **Flask** web dashboard for automated attendance logging and record management.
- Implemented facial landmark detection and Euclidean distance for high-accuracy recognition.

Quickbite – Android Application

- Designed a 10-screen onboarding and authentication flow for a food delivery concept.
- Developed using **Java/Kotlin** in Android Studio with modern UI components (ViewPager2).

EDUCATION

BS Computer Science | *2022 – 2026 (Expected)* **Government College University Faisalabad (GCUF)**

- **Status:** Final Semester (Regular classes completed; available for immediate employment).

- **Key Courses:** AI, Parallel & Distributed Computing, Compiler Construction, Software Engineering.

ACHIEVEMENTS & INTERESTS

- **Career Readiness:** Successfully completed a 6-month intensive professional Frontend training.
- **Future Goals:** Deep interest in pursuing an MS in Computer Science in Germany/Austria.
- **Interests:** Professional Cricket, Luxury Automotive Technology.
